

Evan Yeung

e6yeung@uwaterloo.ca

<http://evanyeung.com>

A second year Systems Design Engineering student at the University of Waterloo. I'm interested in software development and UI/UX design. I've been doing full-stack web development lately and love it but am always looking to branch out and learn new things.

Technical Skills

Python
JavaScript
HTML/CSS
C++
C
Java

Django
jQuery
Bootstrap
SQL
Redis
Git
